

## Study Recruitment of Femmes

*Are you a femme identified woman over the age of 18? Are you currently coupled with a FTM identified person who has begun medical transition? If so, you may be eligible to participate in a study regarding the nature of a range of feelings and attitudes about body image. Study participants will be asked to participate in a 1-1.5 hour recorded, confidential interview. This study is part of a dissertation, a requirement for completion of a PsyD at the Wright Institute. If you are interested in participating, please contact the researcher, Matt Goldenberg, M.A at 510-981-4235 or email [mgoldenberg@wi.edu](mailto:mgoldenberg@wi.edu)*

*Thank you very much for your interest.*
